## **ACCESSIBILITY STATEMENT**

Gadsden County is committed to ensuring accessibility of its website to people with disabilities. Gadsden County is actively working to increase the accessibility and usability of the website and in doing so adheres to many of the available standards and guidelines.

Gadsden County does not discriminate in its programs and services on the basis of religion, age, race, color, national origin, gender, marital or parental status, or disability and complies with Title VI of the Civil Rights Act of 1964, Title IX Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990.

In order to further our commitment to nondiscrimination, we have updated the website in order to ensure the site conforms to World Wide Web Consortium (W3C) Web Content Accessibility Guidelines (WCAG) 2.1 Level AA. Such guidelines detail best practices for ensuring assistive technology users can access the site. The guidelines also make the site more user-friendly for all people.

Due to Gadsden County's integration with external vendors, certain areas within the site remain beyond Gadsden County's control. Until the integration with these external vendors is resolved, Gadsden County can only achieve a partial level of conformance.

### **ACCESSIBILITY ASSISTANCE**

If you use assistive technology (such as a screen reader, a Braille reader, or TTY) and the format of any material on our website interferes with your ability to access the information or to request a reasonable accommodation, or if you need information provided in an alternative format, please let us know. We will make a reasonable effort to accommodate all needs and/or requests.
